

Insurance Request Form

Dear Valued Customer,

We are committed to coordinating your freight without incident, however the rigors of international shipping sometimes affect the safe delivery of goods. We recommend that our customers have some form of cargo insurance in order to reduce their exposure to the risks associated with moving freight and to facilitate claims processing when a claim occurs. TBB Global Logistics offers comprehensive coverage at very competitive rates.

Please select your choice for cargo insurance below (check one)

<input type="checkbox"/>	We have our own cargo insurance coverage
<input type="checkbox"/>	We would like to insure our cargo with TBB Global Logistics
<input type="checkbox"/>	Please insure all of our shipments
<input type="checkbox"/>	We elect to insure our shipments on a case-by-case basis*
<input type="checkbox"/>	We decline cargo insurance at this time

*Please always request coverage in writing (e-mail is fine), as it will serve as proof of insurance.
